Lee Baddley Photograph Session

A family photo day has been arranged for Saturday 10th October 9.00am - 1.00pm. Please see notice board for further details and to book your appointments. This will be on a first come first served basis.

Quiz Night

We are hoping to arrange a quiz night at the nursery for staff and parents. Monies raised will be going to the Wish House Charity and we are hoping that parents of the nursery will join us for a fun evening. Mr. and Mrs. Coccia have kindly offered to be the quiz masters. Date is to be confirmed. Could you please fill in the form below if you would be interested in joining us in this evening and could arrange tables of 6.

I would be interested in joining nursery on their proposed quiz night and could arrange a team of 6.
