Outside Play

We do try and take the children outside as much as possible **WHATEVER** the weather and as such request politely that parents provide them with suitable clothing to participate in this. Wellies, Rain coat, Scarf, hat and gloves are all a good idea to include in the children's bags each day as with our unpredictable weather of late we can never tell what the children are likely to need day to day!?!

Kids Days Out of School Club

The club will be operating the week of the 19th December to the Friday, so if you have a school aged child who you would like to attend please ask for a booking form.

New incentive scheme

We have decided to offer parents incentives for recommending friends, family and acquaintances to the nursery, see attached sheet for the fabulous rewards available!

Snowflake and Rainbow Concert

This year both rooms will be joining together to put on a Christmas Carol performance, we have invited some of the choir from the local schools to join the children in singing some traditional carols to their parents. As part of this performance we are inviting parents to bring along a friend and their children to celebrate this occasion.

December discount! We are offering any extras booked throughout December at 50% less so a full day will be £20 and a half day £11! Do you need to do some Christmas shopping? Do you need to decorate the house? This would be the perfect time to take advantage of our discount!

To snow or not to snow?!?

Will this year and next year bring the bad weather that last year brought? Nobody knows – but we are taking this opportunity to explain that the nursery strives to remain open as much as possible but in certain situations the nursery does shut either completely or operates shorter days before the temperatures drop too much in the evening. We are hoping that as with last year the parents understand that these decisions are made with the safety of the children, parents and staff travelling in dangerous conditions.

We are considering opening on Saturday 17th December 9.00am to 3pm, is this something that parents would be interested in as we would have to have a lot of interest to make this a viable venture. If you could let your key workers know, we will review the idea and keep parents informed.

Nursery Closing and Opening Dates

We close on 23rd December and reopen on Tuesday 3rd January 2011

From all the staff at Nursery Days may we wish you a Merry Christmas and a Happy New Year!
